

## RiverGlen Multisite FAQs

### **We are one Church in two locations.**

We have one mission, vision, and set of values. There is one ministry model, budget, and staff/leader team. We all serve as a united family to the Glory of God. Our mission at RiverGlen Christian Church is to make more and better followers of Jesus Christ. We'll carry out that mission through each location.

### **What is a multi-site campus?**

A multisite campus is one church in multiple locations. The Pewaukee campus is a fully functioning congregation providing all of the core elements of worship, teaching and ministry programs of RiverGlen church.

### **What led RiverGlen to launch an additional campus in Pewaukee?**

83% of people living in Southeast Wisconsin do not attend church on a regular basis. There are many families driving over 20 minutes to attend our current location. This motivated us to do everything possible to reach these people with the hope of Christ. Statistics show that people prefer to attend a church within a fifteen-minute drive. Rather than expecting folks to come to us, becoming a multisite church means that we take church to them. Proximity increases ability for involvement and engagement.

### **Where will the new site be located?**

RiverGlen Pewaukee will be located in the former American TV & Appliance building at the intersection of I-94 & County F. W229 N1400 Westwood Drive, Waukesha, WI 53186.

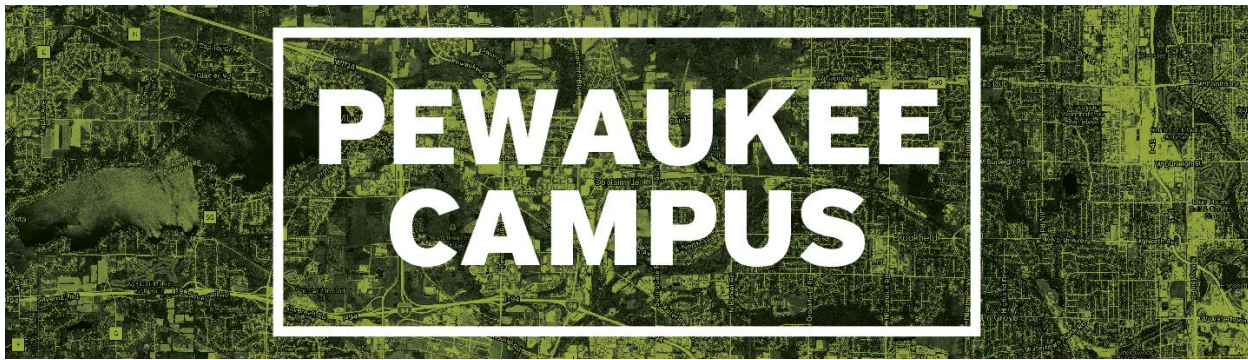

Just in case you are wondering, YES this is considered Pewaukee ☺

### **How will the new campus be staffed?**

Staff consists of a campus pastor, children's ministry leader, worship leader and a technical support person. Hundreds of trained volunteers will be very involved in all ministries.

### **What is the target date for launching the Pewaukee Campus?**

The Launch Team will begin with a "soft launch" in September 2018. The Grand Opening will be Sunday, October 7, 2018.

### **What programs will be available for children & students?**

Our Pewaukee Campus will have excellent and engaging children's facilities and programming. Our KidLife program serves children from birth through Grade 5. Older students experience Edge (middle school) on Wednesday nights and Slife (high school) on Sunday nights at the RiverGlen Waukesha Campus.

### **How will the message be delivered at the Pewaukee Campus?**

Each worship service will be led by a *live* worship team and Campus Pastor. Messages will be delivered by a "*live stream*" originating from the Waukesha Campus. This will be done with a commitment to excellence and high production value. This system ensures everyone hears the same message regardless of location.

### **How can I be a part of this exciting new adventure?**

Pray for our new Pewaukee Campus as we follow God's divine direction to reach more people for Christ.

Promote – Regardless of which RiverGlen Campus you attend, spread the word about the exciting movement of God in Waukesha and Pewaukee.
